

## **About EESTEC**

EESTEC (Electrical Engineering Students' European assoCiation) is a non-political, non-profit organization of and for Electrical Engineering and Computer Science (EECS) students at universities, institutes and technical schools in Europe awarding an engineering degree. The aim is to promote and develop international contacts and the exchange of ideas among the students of EECS. The association achieves its aim through improving technical knowledge of EECS students, introducing them to the industry and the educational system of other countries.

### **About EESTEC Observer Kaiserslautern**

EESTEC Kaiserslautern was created in 2013 with goal to introduce EESTEC to students in Kaiserslautern. We are planning a lot of local educational activities, as well as participating in EESTEC international workshops and events.
